Submission Deadline for the September Flyer:
August 29, 2014

The passing of seasons encourages us to step off the same old path and do something different. Although this can mean less time for building our personal rail empire, time being devoted instead to mowing the lawn and trying to get the trimmer started, opportunities abound to observe actual railroads at work and gather with friends.

Our division celebrates the summer season with our annual picnic, this year once again at Henley Park in Leetsdale, details elsewhere in this issue. In addition to the usual picnic fare and conversation, we have a business meeting—extended debate cut short by passing trash trains—and monthly bring and brag. The division supplies hot dogs and burgers with buns, and you supply the rest.

Make sure you RSVP with Keith DeVault if you plan to attend so he can buy the right quantity of meat. Bring your model, your family, dish to share, and folding chairs, join us for the annual picnic. Expect double stacks, auto racks, coal and trash, and pray for fair weather— it generally is.

**Minutes of the May 2014 Meeting**

The [May 2014] meeting was convened by Superintendent Hohn at 2:29 p.m. at the Scenery Express.

The Superintendent thanked the owner for hosting the meeting.

Several guests and one friend were recognized.

The minutes of the previous business meeting were discussed. It was noted that three members have passed away since our last business meeting. The motion to accept the minutes as printed in the Flyer passed by unanimous voice vote.

**Reports**

The Keystone Flyer Editor was not present so there was no report for the Keystone Flyer. Carl Volkwein, the Treasurer, noted that March and April’s reports have been lumped together for convenience. The financial issues for the Jamboree are still being resolved. Bills are still being submitted. All issues should be resolved by the June meeting.

Assistant Superintendent Devault expressed thanks to our host, Bob Eltsner for hosting the meeting. The next meeting will be held at Esther’s Hobby Shop in Millvale with the business meeting at the former St. Anthony’s Cafeteria, a few blocks away.

Dick Flock was not present, but the Company Store was. Members were encouraged to spend money there as well as Scenic Express.

The Keystone Flyer is published ten times a year by Division Two of the National Model Railroad Association, Mid-Central Region.

Subscription to the Flyer is included with your NMRA membership if you reside within the geographical boundaries of Division Two. Additional, or non-member, yearly subscriptions are available for $5.00. Make checks payable to: Division Two, NMRA-MCR and send with name, address, and phone number to Vagel Keller, Editor, P. O. Box 5130, Pittsburgh, PA 15206.

Pike ads are available to publicize your home or club model rail empires for a $15.00 yearly fee. You may supply artwork or have it produced by the editor for a nominal fee. Pike ads are also posted on the Division’s website: http://www.keystonedivision.org
The [June 2014] meeting was convened by Superintendent Hohn at 2:29 p.m. at the Holy Spirit School Cafeteria in Millvale.

The Superintendent thanked Jim Sacco and the owner of Esther’s Hobby Shop for hosting the meeting.

Several guests and one friend were recognized.

There were no minutes in the Keystone Flyer due to an error on the part of the Chief Clerk. He has resolved not to let it happen again.

One new member (Keith Berkebile) and two guests (Frank Kocher and Jules Juliano) introduced themselves.

Superintendent Hahn thanked Dennis Lippert for serving as the Chief Clerk until a replacement could be found. Dennis was the Chief Clerk until his work schedule was changed to include Sundays.

Reports

The Keystone Flyer Editor pointed out that the deadline for items (like minutes) is printed at the bottom of the current edition, to avoid future confusion.

Carl Volkwein, the Treasurer, noted that our current checking balance is $1,220. Income from the Jamboree was over $8,000. All areas showed a marked improvement. We had a net profit of $980. While it doesn’t seem like a lot of money, our primary goal is not to make a large profit.

Assistant Superintendent Devault expressed thanks to our host. There will be no meeting in July so hopefully everyone can attend the National meeting in Cleveland. The next meeting will be at Henle Park in Leetsdale the 3rd Sunday in August. This is the same location that we’ve enjoyed in years past. Let Keith Devault know if you have any special requirements such as diet or access.

The September Meeting will be at the Youngstown Club. The October Meeting will be at the Irwin Public Library and we will complete 2014 at the Mid-Mon Valley Club in New Eagle.

Dick Flock reported that he had two groups of items for sale: the Company Store and the estate sale. The items from the estate sale are priced to sell, so please purchase them so Dick won’t have to keep hauling them around. He has been carrying several books for quite awhile because the people who ordered them have not attended a meeting to pay for them. In the future, all books will be paid for when you order them.

Tom Gaus reported for the Web-site and membership Committee. We are looking for pictures from the Jamboree to display. We also have gained eight new members to give us a total of 244. We also picked up 11 Rail Pass members from the Jamboree.

Bob Meir, representing the Free-Mo people, thanked everyone for excellent sales at the White Elephant Table. He also reported that we will be sharing space with the South Hills Free-Mo group at the July Greensburg Show.

Bring N’ Brag. This month’s entries are passenger train head end equipment. There are 5 entries. Please vote.

The Video Library had no report.

Dennis Vacarro reported that Dennis Coglionnese had received a Golden Spike Award.

The Welcoming Committee had no report other than they were still welcoming.

Apparel Committee reported that there are a few extra shirts and hats for sale.

Old Business. There was no Old Business.

New Business. Sadly, member Bill Wilson of McKeesport passed away. [ed. note: While Bill was a long-time model railroader and a fixture on member Bob Prehoda’s operating crew, there is no record of his being a member of NMRA.]

For the Good of the Order. Susan reported that she will be teaching classes for the Railroading Merit Badge for the Boy Scouts this summer. She would appreciate help and it’s always fun.

The meeting was adjourned at 3:03 p.m.

June’s Bring ‘n’ Brag contest was held at Holy Spirit Church school cafeteria in Millvale, PA. The theme for this month’s contest was ‘Head End Equipment’ and there were five entries.

First Place voting resulted in a tie between Bill DeFoe and Frank Benders with each of their entries receiving 7 votes out of the 24 ballots cast. Bill entered an HO Scale Mail Car (RPO) built from an Athearn kit and painted and lettered for the Cinder Valley. Bill fabricated new stirrup steps and mail bag hooks from brass wire. Frank entered a set of Märklin passenger cars consisting of a baggage car, diner, and second class coach from a set he received in 1956.

Steve Ross won Second place with 5 votes for his HO scale Erie Lackawanna Tool Car. Steve started with a smooth side Rivarossi Baggage Express car painted for the Lackawanna. He replaced the trucks with Athearn 8’ wheelbase Commonwealth friction bearing trucks, added new stirrup steps, Kadee couplers and body mounted boxes, and seven Train Station Products roof vents. He then added ERIE plus REA lettering and a patched number to the sides.

Other entries for this month’s contest included:

- Susan Werner entered an express box car lettered for the B&O. She had repaired and assembled it from a Blue Box kit and weathered the car with acrylic stains.
- Hans Werner entered a set of German Railroad baggage cars with a passenger coach.

Thanks to everyone who brought in models and voted. Please remember that Bring and Brag entries are supposed to represent the creative effort of the modeler entering it. The next contest will be at the annual summer picnic in August at Henley Park located in Leetsdale, PA. The modeling category theme will be “Cabooses.”
